

# OUR SOCIAL IMPACT FRAMEWORK

Individualised Support for Community-Wide Impact

**IF WE...** provide quality individualised supports and opportunities for people with a disability  
**BY...** building life skills and providing employment in our social enterprises  
**AND BY...** advocating with communities and employers to embrace the contributions & capabilities of the people we support  
**WE CAN...** maximise quality of life and potential of people with a disability

WHO?	WHAT?	HOW?	SO THAT	WE ACHIEVE	OUR VISION
